## Update on ADS Annual Meeting in Pomona, California

If the hotel reservations are any indication, the 1995 Annual Meeting at Fairplex in Pomona, California may be a record breaker. Already, our block of rooms has been filled for Tuesday and Wednesday, Feb. 21-22. **Rooms are still available for Feb. 23-26.** If you are unsuccessful in your attempt to reserve a room for the 21-22, please call Michelle at the Sheraton Suites Fairplex, 1-800-722-4055, ext 1205 and tell her you need help with your ADS reservation. Arrangements have been made with the nearby Embassy Suites to accommodate our members at the same rate for these nights. You may choose to stay at the Embassy, or move back to the Sheraton for the remainder of the conference. The Sheraton will provide a shuttle service for Tuesday and Wednesday.

Due to the number of requests, a **Trade Fair** is being organized for the days of Thursday, Friday, and Saturday, February 23-25 at the Indoor Arena. The cost will be \$100 for a 10 x 10 space, or \$150 for 10 x 20 space or for using your trailer. No tables or other equipment will be provided, and while it may be possible to leave your things overnight, you may want to stow your goods for the night. Due to the fact that we are meeting in various locations, rarely in the hotel, this area should give the maximum amount of exposure to each exhibitor. Anyone interested in taking space should contact the ADS office at 810-664-8666.

If you have not yet registered, please take a moment to fill out the form provided in the mailing and return it before February 10. It promises to be a fun, as well as educational, weekend.

## Regional Masters Trophy To Be Contested At The Festival Of Champions

The gauntlet has been thrown by the Southeast Team, consisting of Bill Long, Tom Hilgenberg, and Faye Krueger. They won the inaugural contest for the Regional Masters Trophy at the Festival of Champions in 1994. What ADS region will win it in 1995?

The award, sponsored by Holly Pulsifer and Deirdre Pirie, founders of the Myopia Driving Event, was given on the 20th anniversary of that Massachusetts institution. Each "Masters Team" consists of a Single, a Pair, and a Four-in-Hand (or Tandem) driver from the same geographical region as defined by the ADS. Each driver must complete all three phases of the competition: dressage, marathon, and cones - for their score to count. The team with the fewest penalties at the end of the

competition will have their names engraved on the Challenge Trophy, a bronze four-in-hand donated by Mr. Finn Caspersen, chairman of the USET. The trophy is dedicated to the late Fiona V. Baan, whose enthusiasm, guidance, and vision helped the sport to new heights in the United States and abroad.

ADS Regional Reps! Plan not to send a team to New Jersey for the June 23-25th gala competition, which showcases the USET disciplines-driving, dressage, jumping and endurance. The best horsemen in the States will participate in this annual event. Let's be sure the best drivers are there too. If YOU want to drive at the Festival, call your regional rep - get your horse in gear - build a team from Your region, or call Holly Pulsifer, USET vice-president for driving if you have questions! 508-356-3655.

### If You Have Not Renewed...

...then this will be the last issue of *The Whip* that you will receive. Our records show that approximately a third of the 1994 membership has yet to send in their 1995 dues. If you are one of these members, you will not receive the March magazine. 1995 is going to be an exciting year and you won't want to miss a thing! If you have any questions, please call and we will be happy to check for you.

## Date Changes for 1995 Weekend of Driving For Pleasure

The date for the 1995 Weekend of Driving For Pleasure has been changed from October 5-8 to November 2-5. The location will remain the same, Southern Pines, North Carolina. The reason for the change occurred because of a problem finding hotel accommodations for the October date, however those worried about the weather in Southern Pines in November need not be concerned, it should be comfortably in the 60s. Those who attended the ADS Weekend there in 1989 will attest to the comfortable climate.

Further information will be released as it becomes available.

## Patience Please

The American Driving Society is updating its database. After operating for over 9 years with the existing database, a new system is long overdue and will enable the staff to make the business of running the ADS much, much more efficient.

We anticipate a smooth transition which will take place sometime in February or early March, however it will delay the mailing of membership card for both members and Licensed Officials. If you need to know your membership number, please look on the mailing label from any ADS mailing. The letter prefix will indicate your membership category (I=Individual, F=Family, etc.)

and the first publication of its class, was the successful end product of a grant to the ADS.

A series of regional "Gold Medal Clinics", featuring the opportunity for drivers to seek skill level improvement under the tutelage of our best American international competitors, was jointly funded by Hoopes-Addis and the USET.

The Hoopes-Addis Trust underwrites driving clinics organized by ADS member clubs to insure that such clinics will not fail because of overly optimistic budgets. Clinics for competition officials, whose licensure depends on participation in such activities, have been sponsored by the Trust.

The Hoopes-Addis Education Trust is an incorporated, tax-exempt independent body, established in response to the need for such an organization to supplement and implement the educational aims of the American Driving Society. Formed shortly after the organization, of the ADS in 1974, the Trust is named for Clement Hoopes and Susan Addis and was formed in commemoration of the untimely deaths of these two founding members of the ADS.

All of these events and more, largely unseen and unsuspected by the driving spectator or even by some members of the ADS, provide the groundwork upon which a healthy atmosphere for driving enthusiasts depends. The Hoopes-Addis Education Trust is the entity whose monetary aid makes much of this activity possible, but it cannot offer more than it has.

The Hoopes-Addis Education Trust is supported totally by donation. All of its income is based upon the generosity of contributors who enjoy the discipline, the skill and the splendid atmosphere of the sport. We invite you to be one of them.

## Jingle Those Bells

Vermont means winter and winter means snow and snow means sleigh riding and sleigh riding means photo opportunities for calendars and lots of fun. So much fun that this year GMHA is planning to hold three rallies in addition to the Lyme New Hampshire Winter Carnival and the Mad River Valley Winter Carnival in Waitsfield, Vermont. In order to stir up some competitive spirit there will be a series championship for the monthly scheduled events.

So jingle those bells and keep in touch with GMHA for weather conditions. Try as we will, no snow - no rally, too much snow - no rally. We're looking for one of those perfect Vermont days, but we'll settle for snow on the ground and winter woolies.

Jan. 22, Feb. 19, Mar. 19, GMHA, S. Woodstock, VT; 802-457-1509

Feb. 5, Mad River Valley (Dan Easley 802-496-4949)

Mar. 5, Lyme Winter Festival (Jo Steele, 603-795-4666)

## Stacy B. Lloyd

Stacy Barcroft Lloyd, founder of The Chronical of the Horse, died on December 6, 1994 of a heart attack while driving a young horse at this farm near Berryville, VA. He was 86. Mr. Lloyd was a member of the ADS and participated at the ADS Weekend of Driving for Pleasure at Acadia National Park last fall. He was a summer resident of Northeast Harbor in Maine where he would drive his pair on the Carriage Roads of Acadia.

## Wanted: Photos and Newsletters for Annual Meeting Contests

### PHOTO CONTEST:

For the 8th year, the ADS will offer a photo contest for all the amateur photographers amongst the membership. You do not have to attend the weekend in Pomona to participate. Simply choose your favorite and best photos of a driving related subject and following the instructions below. Voting will be by secret ballot during the *Super Clinic* Weekend.

1. The photographer must be an ADS member and the photo must be submitted by that same member.
2. Entries are limited to 3 per member/photographer.
3. Photos must be a minimum size of 5 x 7 inches and must be matted or framed.
4. A caption or title should accompany each photo, but the name of the photographer must not appear on the front of the photo. The name and address of the photographer must be on the back of each photo.
5. No entry fee is required.

Please deliver photos in person to the registration table at the Sheraton Suites Fairplex or mail to the American Driving Society c/o The Sheraton Suites Fairplex, 601 West McKinley Avenue, Pomona, CA 91768. If mailed, please provide for return packaging and postage.

### NEWSLETTER COMPETITION:

Any Driving Club that is a current ADS Club Member and produces a newsletter is eligible to enter the Newsletter Competition. Entries will be judged on educational content, communication of club activities, original or editorial articles, graphic design, and overall excellence. Ribbons will be given for each category. **Professionally designed and produced** newsletters are not eligible.

Please submit **3 copies of 3 different newsletters** produced in 1994. No entry fees are required, but please include a cover letter naming the club and the newsletter editor. Deadline for all entries is February 15.

Newsletters will be judged by an impartial jury prior to the Annual Meeting and will be on display for all members to enjoy.

## Some Reminders As the Show Season Begins

As the 1995 competitive season begins, it would be beneficial for us all to review the ADS Handbook (the 1994 edition is still in effect)

Here are a few rules that you should know:

Article 1.1 "All drivers at ADS approved competitions are responsible for complete knowledge of and compliance with the rules of the competition as set forth in this handbook. Drivers should also be fully cognizant of the class' specifications in the divisions in which they compete, as set forth in the handbook or as stated in the prize list.

Article 122 (g) [The organizing committee must agree to the

following:] That a veterinarian be present if a Marathon is offered and either present or on call for other events."

Article 131.5 "A judge shall not adjudicate at any event in which a member of his immediate family, clients or trainers are competing."

Article 131.7 "A horse may not be shown before a judge that is owned by or sold by said judge within a period of three months prior to an event, or currently leased from said judge."

Article 131.9 "No one may show before a judge who has been instructed by said judge within a period of three months prior to an event. (Groups clinics are excluded.)"
